## Twinning the Earth

### Twinning the Earth

As first speaker Eva Gladek (Metabolic) will set the scene for the session and share some views on priority policy use cases for the EU “Destination Earth” initiative that will be presented by Christian Kirchsteiger (EC - DG CNECT). The European initiative will be further complemented with presentations on the use of digital twins by Keiran Millard (UK, BSI) on National level and by Raf Buyle (Information Flanders) and Philippe Michiels (IMEC) on Local (BE – Antwerp) level.

Session: Twinning the Earth (1h30), Thursday 4 June 2020 14:00 – 15:30.

1. A Digital Earth: Urgency and Opportunity (Eva Gladek - Metabolic / 20')
2. Destination Earth (Christian Kirchsteiger – DG CNECT / 15')
3. Digital Twin for the UK (Keiran Millard / 25')
4. Digital Twin for the City of Antwerp (Philippe Michiels – Raf Buyle / 20')
5. Discussion (15')
